Heavy Construction Association of Windsor Membership Fee Schedule

Contractor ~ The current contractor dues have been set at the following rates based on your average annual sales volume: \$0 to \$5,000,000 ~\$1,175.00+hst/year // Over \$5,000,000 ~ \$1,425.00+hst/year. This fee includes the use of our on-line construction reporting service (our Electronic Plansroom{EPR}), news only portion but does not include on-line access to plans, specifications and addenda.

Associate ~ The current associate dues have been set at \$490.00 +hst per year. This fee) includes the use of our on-line construction reporting service (our Electronic Plansroom {EPR}), news only portion but does not include on-line access to plans, specifications and addenda.

Link2Build Electronic Plansroom : Access to our construction reports is available in two different forms:

- **News Only:** The news portion of the construction reports is included in the membership dues. "News" consists of Current Projects Out for Bid, Closing Date and Issuing Authority.
- **Upgrade:** The cost to receive access to all addenda, specs and drawings is only \$525.00 (plus hst) per year (in addition to the standard membership fees) This is open to all general contractors, trade contractors, manufacturers, suppliers and allied services. With this upgrade your membership includes FULL access to the Link2Build Zone 1 electronic plansroom, including pre-bid, open bidding and post-bid of projects throughout Southern Ontario (including Windsor, Essex, Chatham Kent, Sarnia, Lambton and west of London), access to over 4,000 projects annually, view, print and download all plans and specifications, unlimited user accounts, daily project updates, the opportunity to purchase Link2Build access to GTA, including Barrie, for \$999 + HST and the opportunity to purchase additional Link2Build (London, Grand Valley, Niagara, Ottawa etc.) zones for \$600 + HST each. (forms and payment for this service to be submitted to the market area.)
