This fee includes the use of our on-line construction reporting service (our Electronic Plansroom{EPR}), news only portion but does not include on-line access to plans, specifications and addenda.

Associate ~ The current associate dues have been set at \$490.00 +hst per year. This fee) includes the use of our on-line construction reporting service (our Electronic Plansroom {EPR}), news only portion but does not include on-line access to plans, specifications and addenda.

Electronic Plansroom (EPR): Access to our construction reports is available in two different forms:

- **News Only:** The news portion of the construction reports is included in the membership dues. "News" consists of Current Projects Out For Bid, Closing Date and Issuing Authority.
- **Upgrade:** The Windsor Construction Association scans all addenda, specs and drawings into our computer system and posts them on the Internet for our members' convenience. The cost to receive access to all addenda, specs and drawings is only \$525.00 (plus hst) per year (in addition to the standard membership fees).
- **Southwestern Ontario EPR Upgrade:** The WCA has a reciprocal agreement with the London and District Construction Association as well as the Grand Valley Construction Association in which WCA Upgraded EPR members can upgrade their access to include projects from either of these Associations for an additional cost of \$600.00 (plus hst) for each market area (forms and payment for this service to be submitted to the market area.)
